About Antares Vision

Antares Vision guarantees the protection of products throughout their life cycle by deploying inspection systems for quality control, tracking solutions to fight counterfeiting and control of the supply chain, and smart data management, in all the most demanding industrial sectors, from pharmaceuticals to biomedical devices, from food & beverage to cosmetics and fashion. Antares Vision has a presence in over 60 countries with comprehensive and flexible solutions, and related services: it has 4 offices in Italy (Brescia, Parma, Latina, Piacenza), 12 foreign branches (Germany (2), France (2), Ireland, USA (2), Brazil (2), India, Russia and Hong Kong), 2 innovation and research centres in Italy and Ireland and a network of over 30 partners worldwide. With 20 years of experience in vision technologies, Antares Vision supplies 10 of the world's 20 leading pharmaceutical companies: over 25,000 inspection cameras assure the product's safety and quality each day, while 6500 inspection tests and over 3,500 serialisation lines installed all over the world guarantee the traceability of over 5 billion products throughout the entire supply chain. Since April 18, 2019, Antares Vision has been listed on the Italian Stock Exchange, on the AIM Italia/Alternative Investment Market for dynamic and competitive SMEs. This result was achieved by business combination with ALP.I, SPAC promoted by Mediobanca. With the aim to continue supporting the growth and development strategy, in 2019 shareholding agreement were perfected with T2 Software, a Brazilian software company, and Orobix, Italian leader in artificial intelligence services. Antares Vision acquired 100% of FT System, a leader in control and inspection in the beverage sector. In 2019 Emidio Zorzella and Massimo Bonardi were awarded the Ernst & Young Entrepreneur of the Year Award for Innovation.
